

CHOCOLATE LOLLIES

Our luxury chocolate lollies are made from high quality Belgian chocolate and weigh in at a hefty 100g. Each lolly is individually decorated by hand, wrapped and finished off with a distinctive satin bow.

Our robust counter-top display stands allow you to create a great visual impact.

GREAT MERCHANDISING BY OUR CUSTOMERS #1

The Bon Bon's team is privileged to see great displays in fine food outlets across the country. Colourful, well maintained merchandising engages all the senses and emotions, in turn creating happy customer experiences and exceptional year-round sales for our retail partners.

Over time we are keen to build a library of real-life displays. If you would like to see more display images, please visit our website (www.bonbons.co.uk). From there, you can access our Instagram page, which is at the bottom of the home page.

I would love to see and share your display images. Please send any inspiring photos to us at sales@bonbons.co.uk

Peter Julian

Colour & height

Easy to shop

“We have an entire room dedicated to confectionery. Bon Bon's showed us how important it is to keep displays full and impactful, with great merchandising. As a result, Bon Bon's sales exceed our expectation and Caramel & Sea Salt fudge is our top-selling confectionery line!”

Christopher O'Connor, Shop Manager, Rumwell Farm

HANGING BAGS

Attract year-round chocoholics with our bespoke display stand. Each giant slab variety is cased in 6's, which in turn can all be displayed in each of the display's 20 locations. Alternatively, customers can create stunning block displays using their own slat wall systems.
